Worcester , MA 01609

Mrs. Panagiotou :

We want to thank the Parish Council for allowing Chris Lekas, President of the Ahepa of Worcester, to speak to the Council concerning the purchase of some church land upon which the Ahepa Home was built.

We have attached a plan of our proposal to show the area and approximate amount of land purchase needed . The plan will give you a picture of our proposal. As far as a price for the proposed Ahepa lot would be determined by an independent licensed appraiser .

We are requesting that the Church Council approve of our proposal and then list it for discussion and approval at the next general meeting of our Parish .

In due course, we will appreciate your informing us of any action taken by the Parish Council concerning our request.

Very truly yours,

Arthur Lagadinos
Secretary
