

GREEK ORTHODOX LADIES PHILOPTOCHOS SOCIETY
102 Russell Street
Worcester, Massachusetts 01609

October 4, 1995

Mr. Chris Dionis, President
Saint Spyridon Greek Orthodox
Cathedral Parish Council
102 Russell Street
Worcester, MA 01609

Dear Mr. Dionis,

At a meeting of the Greek Orthodox Ladies Society of Worcester the entire membership that was present (51) moved that: "The Parish Council be requested to place on the November 12, 1995 General Assembly of the Community Agenda the installation of air conditioning in the church proper, the Cotsidas Auditorium of the Community Center and the Tonna Reception Room of the Community Center. Further, that the Parish Council make every effort to seek bids prior to this meeting so that a 'not to exceed cost' be also included in the agenda item. In addition, a proposal be presented at that time as to possible funds available for payment of this installation."

The members of the Philoptochos Society stand ready to assist the Parish Council in various ways it may deem necessary to obtain these funds if the usual means are not available.

With sincere anticipation that you will give due consideration to our request, I remain

Very truly yours,

GREEK ORTHODOX LADIES
PHILOPTOCHOS SOCIETY

Theresa B. Sampson, President
